

# FRESH WIND

WE'RE AT THE MIDPOINT OF RAISE THE SAILS  
AND GOD IS EXPANDING OUR VISION  
OF WHERE HE WANTS TO TAKE US

We are here!

A GENEROSITY JOURNEY WITH FIRST PREZ @ KO'OLAU  
Dec 2019 - Dec 2021 • [www.raisethesails.org](http://www.raisethesails.org)

## DEAR FIRST PREZ 'OHANA,

The Lord sends us Fresh Wind!

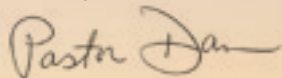

We remember British author/pastor Pete Greig who told us the prophecy that the winds of the Holy Spirit are off shore, and there will be a revival in our islands, but it won't be "business as usual."

As we come to the midpoint of our two-year Raise the Sails generosity journey, God sends a fresh wind from the Holy Spirit to guide us that we might be comforted, encouraged, and empowered to finish our campus building projects and increase our ministries. In addition, God once again has surprised us by blessing us with all of the 246 acres of our property now that the golf course has left.

In this booklet, you will see what we have accomplished in 12 months. May you pray and dream with us what we might do to reach the broader community for Christ.

May we all finish strong in this last year of our Raise the Sails generosity journey. To God be the glory. For the Lord gives us Fresh Wind!

Warmly in Christ,

  
Pastor Dan Chun
